

Members of the public

Motivation

What motivates me as a member of the public to join the project and collaborate?

Cooperation

What do I expect in terms of collaboration?

What do I have to offer in the collaboration?

Communication

How can I be reached – which media, channels etc do I use?

What are my main aims of communication?

What can the project do in communication to reach me and meet my aims of communication?

Science

Motivation

What motivates me as a scientist to join the project and collaborate?

Cooperation

What do I expect in terms of collaboration?

What do I have to offer in the collaboration?

Communication

How can I be reached – which media, channels etc do I use?

What are my main aims of communication?

What can the project do to meet my aims of communication?

Media

Motivation
